

Your Vision Coverage at a Glance

Your vision benefits are provided through **VSP (Vision Service Plan)**, one of the largest and most trusted vision care networks in the United States. VSP gives you access to quality eye care, affordable eyewear, and a nationwide network of providers.

What Your Vision Plan Includes

Routine Eye Exams

- Comprehensive eye exams with in-network providers
- Vision screenings for eye health and prescription needs

Eyewear Benefits

- Coverage for:
 - Frames
 - Lenses
 - Contact lenses
- Access to exclusive member discounts on upgrades and premium options

Eye Health Services

- Early detection of eye conditions such as:
 - Glaucoma
 - Cataracts
 - Macular degeneration
 - Diabetic eye disease
-

Please Note:

No ID card is needed when you visit a VSP® network provider—just tell them you have VSP, and we'll take it from there! But if you'd like a copy of your ID card for your records, you can print a card from VSP member account.

When you schedule an eye appointment, your doctor may ask for your VSP member ID or member number. This will be the primary subscriber's social security number.

If you have dependents covered under your vision plan and they are asked for a member ID, they should use the primary subscriber's social security number.

Provider Access

All vision services are delivered through **VSP's national provider network**.

Find a VSP Provider

Search for in-network vision providers at:

 <https://www.vsp.com/eye-doctor>

You can search by:

- ZIP code
- City/State
- Provider name

Using Your Vision Benefits

1. Choose a VSP in-network provider
2. Schedule your eye exam
3. Provide your member information at your appointment
4. Select your eyewear using your plan benefits

No vision ID card is typically required — providers can verify eligibility electronically through VSP.

Why Use a VSP Provider?

- ✓ Lower out-of-pocket costs
- ✓ Higher benefit allowances
- ✓ Simplified claims processing
- ✓ Nationwide access
- ✓ Quality assurance standards

Need Help?
